Subject: Winter (Saturdays) Catch-Up Classes 2026-27 - Students Call for Application

Date: 29th September 2026

Winter (Saturdays) Catch-Up Classes 2026-27 **Students Call for Application**

Overview

The Winter Catch-Up Programme 2026-27 is designed to support students who may need additional help with their studies, as well as those who wish to revise and feel more confident and at ease at school. The programme is open to all students from Year 1 to Year 11.

This initiative provides targeted revision of material covered during the previous scholastic year. Lessons will be delivered in small year-group settings by fully qualified teachers, covering both primary and secondary levels. The programme shall be running for thirty weeks between November 14th and June 5th every Saturday morning between 9:00 and 12:00.

What you'll get

The Winter Catch-Up Programme 2026-2027 is an in-person and online initiative designed to support students from Year 1 to Year 11 with revision and academic confidence-building.

Subjects Offered

Students benefit from sessions in:

- Maths, Maltese, English, Science and Physics

How to Apply

- Applications are accepted on a first-come, first-served basis
- Once classes are full, students will be placed on a waiting list and contacted as soon as a place becomes available
- Completely free of charge

Eligibility

- Open to students from state and non-state schools.
- Each application is evaluated on its individual merits, with reference to the student's IEP and any relevant input.
- Any decision to refuse an application will be supported by a written justification that is specific to the individual case

How to Apply

Students can apply by clicking on the following link:

 <https://workflow.gov.mt/eservice/S11513?language=en>

Applications will be considered on a first-come, first-served basis. Please note that the submission of an application does not automatically guarantee acceptance into the programme. All applications will be reviewed, and parents will be contacted accordingly regarding the outcome.
